

Welcome to the ASTI in Intelligence Training Academy! In its pursuit of excellence in imparting police training, the Academy has crossed several milestones that we can be proud of. We have incessantly striven to keep Police training relevant, state-of-the-art, updated and comprehensive. We intend to continue to instill professionalism, integrity and service orientation in our trainees and endeavor to build a world-class institution.

ASTI

AVIATION SECURITY TRAINING INSTITUTE

ITA CAMPUS, NEHRU NAGAR, JAIPUR (RAJASTHAN) - 302016

From the Desk of **DGP Sir...**

I am extremely happy to share another achievement of Rajasthan Police. The first Aviation Security Training Institute of the state and the second in the country has been started at Intelligence Training Academy (ITA), Jaipur. It shall go a long way in enhancing security in the fast-growing world of aviation. Starting from basics, ASTI shall be developed as a center for excellence in the field of AvSec. We shall ensure quality training of the highest standard and latest methodology. I welcome your trainees, your suggestions and your valuable feedback.

-Umesh Mishra

DGP, Rajasthan

About ASTI :

- Newly formed ASTI is the second accredited training institute in INDIA regarding AvSec.
- Accredited by BCAS - 13 April, 2023 (Bureau of Civil Aviation Security), New Delhi.

Courses :

- 5 Days AVSEC Induction Course.
- 14 Days AVSEC Basic Course (Initial).
- 3 Days AVSEC Basic Refresher Course.
- 3 Days TOT and Certification of Screener.
- Any other AvSec training allotted to ASTI by BCAS.

Facilities :

- Well-equipped classroom with capacity of 150+ trainees at a time.
- BCAS certified instructors.
- XBIS, ETD, Airport Model for live demonstration.
- LMS Software for exam practice.
- Messing & residential facilities.
- Sports and Gym.

Objectives :

- To train personnel to safe guard civil aviation operations.
- To sensitise trainees against acts of unlawful interference in aviation sector.
- To ensure the effectiveness of the national civil aviation security programme.
- To train the personnel employed in the field of civil aviation according to the NCASTP and to inculcate professional ethics in them.
